

One-handed clamps

Your benefits at a glance:

- 1 Parallel handle with pump lever**
The ergonomically shaped handle with pump lever runs parallel to the rail. That way, balanced, safe handling is always guaranteed.
- 2 Rapid move button**
This button allows you to move the sliding arm at any time, quickly and with minimum effort.
- 3 Plastic pressure caps**
The removable plastic caps provide a non-marring soft touch for use with wood and finished metal surfaces.
- 4 Versatility**
Fixed arm and pressure plate are produced and tempered from a single piece of high quality BESSEY steel. Clamping is resilient and elastic.

One-handed clamp EHZ with 2-component handle
